Northshore School District  
 900 100th Ave  
 Bothell, WA 98004

**Location:**

Northshore School District  
 900 100th Ave  
 Bothell, WA 98004

**Sales Person**  
 Administrator

**Project**

**SLA**

**Bid Code**

**Proposed Service:**

2x Samsung 46" LCD Digital Display screens with built in PC. Both are the latest version of the Samsung 46" SM460UXn-3 data displays, which has superseded the n-2 model recently discontinued. The new model has XP Operating system and is compatible with Windows 7 and carries all the same features as before.

These will be mounted at 1.8m from floor to the underside of the screen and both screens to be mounted close to each other with approx. 100mm gap. The gap between screens will be center line of the designated blue painted wall.

A display control panel is provided for ease of use for users to switch sources and turn the screens on and off each day.
